SHOW REGULATIONS

Revised April 2012

1 ELIGIBILITY

- a) Dogs and owners must all be permanent residents of the Channel Islands. All dogs must be registered with The Guernsey Kennel Club or The Kennel Club of Jersey seven days prior to Show date.
- b) The General Committee reserves the right to refuse any entry.
- c) Puppies under six months old on the day of the Show are not eligible for exhibition.
- d) All puppies entered in breed/AVNPC classes are eligible to compete for Best Puppy in Breed/AVNPC.
- e) Dogs must be entered in breed classes where these are provided, or in Any Variety Not Previously Classified where they are not. Veterans not entered in Breed or AVNPC classes may only compete in Brace or Team (in addition to the Veteran class) and will not be considered for Best of Breed or trophies other than for Veterans.
- f) In counting the number of first places, all firsts in adult breed or AV classes at all Shows, up to and including the fourteenth day prior to the closing date are counted. If entered into a class for which it is ineligible and not withdrawn prior to judging, a dog will be disqualified from any award gained and from the entire Show.
- g) A dog missing any class for which it has been entered will be disqualified from any award gained and from the entire Show.
- h) No dog which has been bred by the scheduled Judge shall be shown.
- i) Docked dogs may be shown.
- j) No dog which is totally blind, totally deaf or cropped (ears) may be shown.
- k) Spayed bitches and castrated dogs may be shown.
- l) Group winners have the right to withdraw from variety classes on signing a declaration provided by the Show Manager. A Group winner withdrawn from variety classes may still compete in Brace or Team and a dog beaten in or missing only a Brace or Team class is still eligible for further competition.
- m) Entry and competition at the Guernsey Kennel Club's Open and Members' Shows for dogs on the Imported Breed Register is limited to Imported Breed Register classes, and only after an Interim Breed Standard has been approved by the committee of the Kennel Club (UK) and published in the Kennel Gazette. Winners may not compete for Group places or Best in Show. Imported Breed Register dogs with an approved Interim Breed Standard may also compete in Matches run by the Guernsey Kennel Club and Companion Dog Shows within the Bailiwick of Guernsey.
- n) No dogs, except Guide Dogs, Hearing and Assistance Dogs and those entered for competition will be allowed on the Show premises, except where an outside venue allows free and unrestricted access to the public.

2 CONDUCT IN THE RING

- a) No person under any pretext whatever other than the Judges, Ring Stewards, Show Manager and the person(s) handling the dogs shall be allowed in the judging ring while judging is taking place, nor shall anyone be allowed in the ring other than when his or her class(es) are being judged. Any infringement may lead to disqualification of the person(s) and dog(s) involved from any award gained and from the entire Show.
- b) Exhibitors shall not wear any official badge or kennel/affix identification when handling dogs in the ring. No rosettes, prize cards or awards shall be worn in the ring, except when challenging for Group or Best in Show, neither shall Island identification be worn. Any infringement may lead to disqualification of the person(s) and dog(s) involved from any award gained and from the entire Show.

- c) No substance which alters the natural colour or texture of the coat may be used in the preparation of a dog for exhibition either before or at the Show. Any other substance used in the preparation of a dog for exhibition must not be allowed to remain in the coat. The Show Manager may order the examination of any dog at the Show and, should it be deemed necessary, samples may be taken for further examination or analysis. A Veterinary Surgeon may be called and any expenses incurred will be the responsibility of the owner(s).
- d) The attracting of any exhibit's attention by any method either from the ringside or outside the ring is prohibited. It is the duty of the Judge or Steward noticing such attraction to ensure it ceases.
- e) If any prize winning dog be disqualified, the dog(s) placed next in order of merit by the Judge shall take the higher positions in the prize list provided it/they have been awarded no less than "Very Highly Commended", and the win or wins shall count in every respect as if they had been the original awards.

3 SAFETY AND WELFARE

- a) The General Committee is concerned for the care and safety of all exhibits, but it must be understood the exhibitor/guardian is responsible for any injury, loss or damage to persons, property and other exhibits, caused by themselves, their exhibits or their children. A Guardian's signature is required on all entries submitted by a minor (16 years and under).
- b) All dogs must be on a lead or securely caged/penned and under control at all times within the precincts of the Show.
- c) The Show Manager shall have the power to remove any dog that is not in a fit state for exhibition, or for any other cause. The case must be reported to the General Committee at its next meeting.
- d) In assessing dogs, judges must penalise any features or exaggerations which they consider would be detrimental to the soundness, health or well-being of the dog.
- e) If any dog be formally objected to during the Show for being cropped, tampered with, for blindness or deafness, or for showing any form of contagious or infectious disease, a Veterinary Surgeon will be called to examine the dog and report to the Show Manager, who may then order the removal of the dog. Any expenses incurred may be the responsibility of the owner(s).
- f) All accidents or untoward incidents involving club members or members of the public must be reported to the Show Manager. Full details of the circumstances, including any injuries and action taken, are to be recorded in the Incident Book and the entry signed by the Show Manager, the subject of the incident and up to two witnesses.

- a) An objection to a dog may be made by any exhibitor or Committee Member of The Guernsey Kennel Club and must be made to the Show Manager on the day or within seven days of the Show. The objection must be in writing to the Show Manager and accompanied by a deposit of £30 (thirty pounds). If the complaint is dismissed, the deposit remains with the Club. The objection must be brought before the General Committee by the Show Manager or Club Secretary within fourteen days of receipt of the complaint. They will be allowed to provide a relevant written statement in reply, which must be received by the Club Secretary in advance of the said meeting. The owner(s) have the right to lodge an Appeal with the Complaints Committee within fourteen days from receipt of the General Committee's decision.

PRIX d'HONNEUR

The system and scale of points have been carefully devised to ensure winners are worthy of the title. Points are awarded at the three Guernsey Open Shows, Spring, Autumn and Winter. All dogs must be Channel Island registered. Sixty points are required to win this award. **Wins as puppies are also counted.**

To ensure a dog will not be imported for the sole purpose of winning the award it must have been resident and registered in the Islands for twelve months. Points will be awarded during this time but a claim cannot be made until this period has elapsed.

Owners must keep a record of each dog's wins.

All claims **MUST** be made in writing giving the following details>

Date of show, show title, judge, dog's name, ring no, class no, place awarded, points won and the running total. Record cards can be purchased from the club.

The claim should be forwarded to the Official Recorders:

If you have any questions please contact:

Mrs C Bligh, Miss I P Gaved & Mrs J Tanquerel, The Bounty, Salines Lane, St Sampson's, Guernsey, GY2 4FL.

Telephone 01481 243322 or 238114, or email Guernsey.kennelclub@cwgsy.net

They will verify the claim to the Committee's satisfaction, after which a framed certificate with the dog's photograph will be presented. The photograph must measure 5 x 7, which approximates A5, be in colour, with the dog **ALONE** and in a show stand.

Following Committee approval, the owner may use Pd'H after the dog's name when entering all Channel Island, UK and foreign shows, also on all documentation relating to the dog.

A Prix d'Honneur also entitles the dog to lifetime Crufts qualification.
