

The Guernsey Kennel Club
Autumn Open Show
1st Sept 2019

An enjoyable friendly show that has the exhibitors interests foremost. Lovely to see everyone congratulate each other afterwards & encouraging younger handlers. My co judge & I had some excellent quality dogs to go over & in the final line up for BIS, BPIS & BVIS I had a few close decisions.

Working

Boxer: Open

1st Dr Bayes MBE: Docrema Don Giovanni PdH; brindle male, broad head, close fitting ears well defined stop & broad muzzle, muscular neck & well-placed shoulders, good depth of chest with well sprung ribs & firm back & good rear angulation. Moved out steady to start with but didn't quite have enough freedom of movement in front. BOB

Rottweiler: Open

1st Mr & Mrs Clark: Botlierskop Empress Jayde; 7 year old bitch going on 7 months, really played dad up, but when stood had lovely balanced shape, strong head with well developed occiput bone, well padded cheeks, broad muzzle, black flews, slightly arched muscular neck going into well placed shoulders, deep chest, well-muscled hindquarters, allowed steady movement once settled. BOB

Alaskan Malamute: Open

1st Mrs Brouard; JSY Ch Sutarka Coco Chanel At Orsamals; Feminine head with lovely friendly expression. Good width of skull, small triangular ears, obliquely set dark eyes, broad muzzle & strong underjaw. Powerful neck & shoulders, with good depth of chest & straight well boned fore legs, strong body & broad well-muscled hindquarters, firm hocks & well-padded feet which allowed steady effortless movement. BOB

Working Group

1st Mrs Brouard; JSY Ch Sutarka Coco Chanel At Orsamals; Alaskan Mal. Could really see her powerful free movement here & was so balanced from all angles, in beautiful hard condition. Easy winner

2nd Mr & Mrs Clark: Botlierskop Empress Jayde; Rottweiler. Had settled better here than in class & when her handler didn't use her name she stood beautifully & showed herself off.

3rd Dr Bayes MBE: Docrema Don Giovanni PdH; Boxer. Balanced on stand but just wasn't 100% when moving.

eyes with nice arch of neck on well-placed shoulders with enough fore-chest for her age, elbows fitted closely round well sprung ribs, level top-line & sweep over loin, thigh broad & muscular, with good bend stifle, firm hocks & neat feet. In challenge for BOB just preferred her smooth & ground covering movement to the open winner.

Best Puppy In Show

BPIS Ms Gordon; Sherthian Trust In Me At Cavateena; Shih Tzu, this youngster just got better throughout day, judged her early in day & came in here as if her first class of day, has a real look at me attitude, sure she has a very bright future indeed,

RBPIB Mrs Windsor; Davonne's Dream Design; Yorkshire Terrier; at her first show, lovely happy little girl, also got better as day went on, beautifully balanced,

Best In Show

Seven quality dogs, but for me I felt the Cesky Terrier just had the edge over the CKCS but it was a very very close decision. Both had sympathetic young handlers who bought the best out in their dogs.

BIS Mrs Marett; Idefix Day Break At Gayteckles; Well muscled male, who gave the appearance of study dog with plenty of stamina, beautifully presented with sleek body & plenty of furnishings, parallel both fore & aft & when he moved it was brisk & steady.

RBIS Mrs Bennett; Honeybet Happy Talk; really showed his lovely movement in this bigger ring & in end it came down to splitting hairs, felt BIS had that extra something.
