

THE GUERNSEY KENNEL CLUB
AUTUMN OPEN SHOW
Sunday, 5th. September, 2010

It was an honour to be invited to judge again for this Club and a delightful entry awaited me at this well organised event. Hospitality was superb and as usual, the social aspect was excellent and much enjoyed.

My gratitude is also due to David Turner and Jeannine Tanquerel for their diligent work as Ring Stewards. Thanks to their assistance, we were able to complete the entry in reasonable time for "The Finals".

I was particularly impressed with the Cesky Terrier bitch Marett's GAYTECKELS HIGHFLYER Pd'H. Always attractive but seems to go on improving all the time.

The young Rhodesian Ridgeback dog, Le Brun's EILACK FREELANDER was so excellent in breed type and construction he commanded my attention at all times.

Walker & Noel's American Cocker Spaniel dog, SH. CH. JACLEE MONTANA stood out for trueness to type and was rewarded with a second Gundog Group 1 from me, having previously won a Group on the mainland, when shown by Jacky Price. It was good to see this dog still looking so well and happy.

Hearty congratulations to Mrs. R. Cox with her Irish Setter dog Jsy Ch TIROEN TAYLORMADE PdH on achieving his second Prix d'Honneur and to Mrs. S. Woodhouse with her Beagle dog TIMAMSO MAESTRO OF BIRYBARN on achieving his first..

Finally, I would like to thank Mr. & Mrs. Bligh for their generous hospitality throughout my stay in Guernsey. Their kindness is very much appreciated.

JINTY GILL DAVIS.

HOUNDS

RHODESIAN RIDGEBACK

LIMIT (1,0)

1st. / BOB / Grp. 1. Le Brun's EILACK FREELANDER

14 months dog. Outstanding for correctness in construction and full of breed type. Well made masculine head with typical eye and expression. Correct skull, powerful muzzle and neat ears. Clean neck and well built forehead. Excellent shoulders, legs and feet. Correct body, ribs, ridge and whorls. Powerful loin and couplings. Sound free mover with correct co-ordination in profile.

BEAGLE
