

THE GUERNSEY KENNEL CLUB

AUTUMN OPEN SHOW

1st September 2013

Critique Fern Sargeant

Thank you to all the committee for inviting me to judge at the Guernsey Open Show and also to my 2 very efficient stewards Helen and Janet all of whom made this well organised show run so smoothly. It is such a pleasure to come here where the atmosphere is so welcoming and friendly and the competitors so sporting. I was impressed by the general quality of the dogs which came under me.

Puppy 1

1st BOB & G2 WALKER'S PETWALK PROVOCATEUR Very lovely 10 mth old puppy dog, beautifully conformed, head in proportion with body with good length of level back slightly longer to height. Would like a bit more spring of rib but this is a puppy who is still developing and has plenty of time on his side. He moved out well with good kick back behind. At first he was a little unsettled but showed well when he relaxed.

Limit 1

1st Walker's PETWALK HOTTER THAN HELL Feminine bitch of 16 mths with sweet head and expression. Conformation in proportion throughout but felt she needed a little more substance, and was lacking in coat. Moved and showed well.

FRENCH BULLDOG

Puppy 1

1st BP & BOB John's CLISSON MAURICE NOIR FOR RENGR Black puppy dog just turned 6 mths, very much a baby but gave every impression of being quick to learn. True to type with engaging expression. Square head, broad muzzle, good stop and well set erect ears. Well built and conformed for one so young, short in body, fairly thick set. Moved well on straight legs and though fidgety at first, stood and showed very well holding his stance.

Limit 1

1st Weaving's DOMINOS DICE Pied coloured dog 15 mths old. Head well proportioned, stocky in build and well boned. Strong neck and good front assembly, width of chest and ribs but seemed to lack some muscle tone at the rear which affected his movement a little. Showed OK.

AVNPC

Limit 2

1st Best AVNCP & G4 Wilson's JANERYL ROCKING RIO 14 mth old Shiba Inu bitch who still needs a little more time to mature. Nicely moulded head in balance with body and well placed ears and eyes.
