Working Group

Boxer OD (1,1) absent. OB (2,1) 1. Mayes' DOCREMA DIAMONDS R FOREVER, good size bitch, short back to give correct square outline. Good neck. Attractive head, large dark eye, strong muzzle, broad skull. Broad chest, moved soundly but would like to see more drive from behind and animation, BOB G4

Alaskan Malamute OD/B (2,0) 1. Ingrouille's ICETRAX SNO PROOF, mature bitch good size and bone in good coat. Broad wedge shaped head, attractive expression, good eye and balanced strong muzzle. Broad chest, stands on well boned legs to tight feet. Firm back. Reluctant to hold tail, good angulation, powerful mover, please to award her BOB & G1, 2. Ingrouille's ICETRAX BOSS IN MOTION, tall male, of good bone. Good muscular neck. Would prefer slightly shorter muzzle, has well developed broad skull. Not as relaxed as bitch when handled. Preferred bitch's angulation in rear and drive. He needs to tighten and firm up on move.

Rottweiler PD (1,0) 1. Wilson's BOTLIERSKOP SHINING STAR, Young raw 9 month dog, who does not want to get taller. Very good neck, promising head, broad skull, lovely eye, good muzzle. Front angulation could be better but ok behind, stands on tight feet. Moves with good stride just little loose as is common at this age. BOB/BP, G3 & PG1

AVNSC Working OD/OB (1,0) 1. Bligh's WUZIBEARS EVERLASTING LOVE AT BURHOU, Newfoundland, excellent sized bitch, strong head, square muzzle, dark eye, though little loose. Very strong bone, good chest. Strong back, well angulated, excellent presentation and in good coat. Tail carried well and of good length. Movement good and very typical, G2.

Pastoral breeds

GSD PD/B (2,0) 1. Lawrence's CHALKSVILLE MAGNUM FORCE, very attractive 7 month promising male, strong bone firm straight back good neck, would just like a little more length to loin. Head still to broaden, correct length of skull. Good chest and well angulated, moved well, BP & PG1. 2. Bennett's JASANDOR RUNESTONE TAHRO, tall size, well coated male. Would prefer straighter back. Attractive head, well developed in skull and muzzle. Preferred bone and hind movement of winner. OD/B (1,0) 1. Lawrence's SURFSTONE HOT SALSA PdH, V strong male ex bond and size. Good coat and presentation. Very lovely head, good length of skull lovely eye and expression excellent ears. Good strong dentition. Very well angulated showed on move, powerful and impressive. Firm coming and going, good reach of stride, BOB & G1 and RBIS

Border Collie PD/B (1,0) 1. Hitchen's PATOIS PHIZZ, red and white bitch pup. Carrying a little too much weight. Good coat, sufficient bone, little rump high at moment and needs to drop in chest. Feminine head, good eye and ear prefer little more stop. Correct oval feet. Moved little wide in front as a result of weight. BP. OD/B (2,0) 1. Buckley's

LES NUAGES PAPAGENO, strong male definitely masculine. Good bone, feet little round. Well angulated behind. Prefer more neck in front. Attractive head good broad skull and balanced muzzle, correct eye shape. Good chest, moved well, preferred his reach in front, BOB & G2. 2. Rees & Cullen's TONKORY XAMINER, very attractive in profile, athletic appearance. Found him a little feminine in head, would prefer more stop and more oval eye. Excellent presentation. Good angulation but not quite the reach of winner and a little looser in front on move.

Shetland sheepdog LD/B (1,0) 1. Baudain's CAROLELEN CAUSE A DILLEMA, Tall male well balanced for bone. Excellent coat and beautiful presentation. Well angulated behind but would like more in front. Attractive head, broad flat skull, correct eye shape and one blue and one brown eye correct for colour and contribute to attractive expression, balanced muzzle. Prefer little more drive on move. BOB & G3.

AVNSC Pastoral OD/B (1,0) 1. Dowding's MYBEARDS GOLDEN BUTTON, PLS, excellent coat, good length of back to give correct 9:10 ratio, attractive in profile. Front angulation is rather steep and combined with broad chest affects leg placement and causes her to turn feet out. Head is feminine, good skull, strong muzzle and dentition. Tail set is high and tail carried very tightly like spitz. BOB & G4.

Shih Tzu OD/B (5,2) 1. Girard's FOREPAWS GIFT OF GOLD, gold and white, very lively and jaunty 8 year old. Correct chrysanthemum head, large round eye, dark pigment, short muzzle. Correct straight front, lovely arched neck. Well angulated. Good firm back, high set tail. Very good typical movement, showing full pads on round feet. Excellently presented, BOB. 2. De la Cour's SANTOSHA RED RAVER PdH, another excellent veteran of 12 years, hiding age well. Good size, lovely head, good tail set, firm back. Excellent presentation. Well angulated, straight legs jut not quite the reach of the winner. 3. Bowring's MIRACEY SERIOUSLY SPICEY.

Lhasa Apso PD/B (1,0) 1. Walker's CHANCEINN FLYTO BLANZIFLOR WITH PETWALK, 7 month male, of excellent size and strength, lovely head with slightly rounded skull and short but well defined muzzle. Excellent pigment and oval eye. Straight front, good angulation. Lovely puppy coat, high tail very powerful on move, really strides out, super puppy, BP & BOB & G3, PG1 & BPIS. OD/B (2,1) 1. Walker's SWEET LADY STARA BASTA FOR PETWALK (IMP) smaller framed junior bitch, would prefer little more length in back. Head is well balanced to muzzle, lovely oval eye. Angulation could be little stronger, preferred movement & drive of the puppy.

Tibetan Terrier LD/B (1,0) 1. Martel's ARAKI IRRESTIBLEAU AVEC MAJIKCHARMS, black & White 12 month, lovely temperament, correct proportions and lovely in profile, feminine head pigment little broken on nose. Slightly rounded skull well-proportioned muzzle, large dark round eye. Angulation good and has good neck. Little loose in front and prefer little more power behind. OD (2,0) 1. Moignan's WATERLEY SKYFALL, attractive smokey colouring, good black pigment. Good size male. Very good angulation and neck. Strong masculine head, defined stop, good ear and eye. Firm back, though could be shade shorter. Very good mover. Coat is strong and well presented, very eye catching. BOB & G1. 2. Simmon's KYBO MISTER MILAN AT KALADASH, stylish black, preferred strength of head of

winner. Short firm back, but not reach of winner on move. Excellently handled and presented. OB (1,0) 1. Moignan's LASANG TIGER LILY, short back, good size. Excellent presentation and handling. Lovely full coat. Would not want to see her carrying anymore weight. Head feminine, but prefer more defined stop. Skull of good proportions, correct ear and eye. Moved ok, little loose in front.

Bulldog LD (1,0) 1. Rousseau SHILOH LITTLE RED ROOSTER AT DIMKAS, 18 month, Lovely shape, good strong legs of correct length, broad across shoulders, ex bone, well angulated. Attractive head, maybe could be little rounder, just needs to broaden a little more in skull, would prefer tighter eye. Strong jaw, neat rose, ear, very sound on move.

OD/B (1,0) 1. Rousseau SHILOH CLEN MOLLY AT DIMKAS, bitch of 5 years rather creased face, pronounced central furrow. Eyes little loose, very broad through. Deep chest, prefer little more strength behind.

Min Schnauzer LD/B (2,0) 1. Goodall's GILSWAY SPECIAL AGENT AT RENLOTT, 18 month male, ex presentation good furnishings. Short firm body, would not like him to carry any more weight. Head is attractive, well furnished. Better angulation but little loose in front on move, more reach, and correct coat, BOB & G4. 2. Tanquerel's RISEPARK RIGHT ON TARGET, less mature at 14 months, coat needs to harden, attractive head, tail rather curled over back. Good top line, prefer more angulation. OD/B (1,0) 1. GILSWAY SPECIAL AGENT AT RENLOTT.

AVNSC OD (1,1) absent. OB (1,0) 1. Smither's CHALKWELL WHO'S THAT GIRL AT MEANTMORE, White std poodle, ex size, feminine. Good bone and angulation ex presentation, straight front good chest. Lovely head, good length and large dark round eye, strong skull. Very sound on move. BAVNSC and G2

Maltese OD/B (1,0) 1. Walker's ZUMARNIK DELIGHTED FOR PETWALK, Maltese boy, slight staining to face. Big round black eye. Pigment could be better on nose, well coated, long back. Good angulation. Excellent movement. BOB & G2

Chinese Crested OD/B (1,0) 1. Officer's SCHERZANDO WILSON AT EERI, powderpuff, smooth face, lovely eye brows and forward set ears, good stop. Strong neck and well angulated, good length to height, soft coat, good tail set, sound mover. BOB & G4

Pomeranian LD/B (1,0) 1. Bennett's THELBERN BOI-ZEE, Young male v attractive foxy, head neat well placed small ears, dark oval eye, good colour, excellent coat, correct short back, high set tail. Short neck set well into shoulders. Moved ok, but inclined to crab on left side, moved so much better on right. BOB, & G1. OD/OB 2,1) 1. Bennett's THELBERN MONSIEUR LE BLANC, Mature 8 year male, very typical of breed, excellent coat and bone, very compact through, lovely foxy head, wide set tiny ears good wedge to muzzle. Tight feet, not as positive behind as would like.

Papillon PD/B (1,0) Simon & Smith's GARSIV'S SUNNY OF RINGLANDS, very much a baby needs to develop in body and coat, but is very promising. Very good angulation, and excellent movement, attractive head, good strong muzzle, round skull, ears placed correctly, attractive white blaze. High tail, just needs more furnishing to complete the

picture, BOB & BP, PG1. OD/B (2,0) 1. Simon's RINGLAND TANGO IN THE HEAT, Mature male in excellent coat. Long feet lovely head and expression good eye and ear. Firm back. Well angulated. Would prefer more positive rear movement. 2. Simon's RINGLAND FROSTED FERN, feminine in head, rounded skull. Sadly missing a few teeth. In attractive coat. Movement could be more positive.
