

**THE GUERNSEY KENNEL CLUB  
AUTUMN OPEN SHOW SUNDAY 6<sup>TH</sup> SEPTEMBER 2015**

First I have to say sorry for not sending my critique sooner.

Such a memorable visit to a wonderful island. This was my first visit to Guernsey, my memories will stay with me for such a long time.

Overall the quality was so very high, it was such a pleasure to examine such quality dogs. Judging for me was and is such a pleasure but it helps when you have such help from the Ring Stewards and all the team behind the show that are not seen by the exhibitors, so to them all a very big 'Thank You'.

Dancing Lady at Denzarina

I awarded BIS to the most wonderful GSD, Miss B Lawrence, Surfstone Hot Salsa PdH. He stood and moved so well, as for his construction has the most beautiful head, eyes and correct mouth with full dentition. His front construction is very correct with his wonderful upper arm, this giving him such a good ground covering forehand. His top line and tail set flow from his correct high withers. Strong loin and well angulated rear giving such power and drive, a joy to see him moving, maybe the handler felt a little out of puff!!

My RBIS was the perfect Petit Basset Griffon Vendeen. The critique for the super dog owned by Mr Mrs Walder, Ranguli Little Red, has been done by my fellow judge Mr M Pooley.

BPIS was the Bearded Collie owned by Ms R J Martel, Jupiter De Chester Avec Majikcharms (D). This puppy has such quality throughout. His head is so correct and his beautiful neck, so correct in all departments. On the move his head carriage and flowing action was just a joy to behold. He will go far.

RBPIS was Miss L Symphorien, Regencylodge Roxelle at Rienmour (B) This super puppy Pug has good clean clear round eyes, such correct small ears, very good mouth and underjaw. Very well covered body and a good twist. Moves so very well.

BVIS Miss C A Smithers Meantmore Loiter 'N' in the Wings, 7YO Toy Poodle. (Nobody has told this girl that she is now 7!) She thinks she may be 2YO. She moves around the ring covering the ground with such correct action, beautiful head, correct ears, V G leathers, shown and presented in tip top show condition.
