

The Guernsey Kennel Club

4th September 2016

Thanks to the hard working committee for an amazing day and for the great hospitality over the weekend. I felt the show went well and was a very good day all round. So the quantity is not high in the number of dogs but the quality is.

I would like to say a massive thank you to my ring steward Adele for keeping everything ticking over.

I hope to be back one day in the future.
