1 Le Gallez “ ONTOCO SECRETARIAT “ D

9 month with still some way to go. Even so I was very surprised to see he had so much coat for one so young. Lovely tri, well made. Easy on the table and so confident.

Soft expression, very good scissor bite. Ok for bone, shoulder well laid back. Top line I feel needs to firm up a little which I'm sure it will. Tidy rear angles not over done. Ultra sound in all directions. BP. PG1.

### **LIMIT**

1 Baudains “ CAROLELEN CAUSE A DILLEMA “ D

Coming up to 3 years old, very mature for his age, a merle with loads of confidence. Head a shade out of balance with muzzle a fraction long, very good ear set. Ok for bone, and well layed shoulders. Tidy feet. Also a shade long in top line, for me that is. Very sound and moved so well by handler.

### **OPEN**

1 Le Poidevin “ CONORVEAN BOBBIN JOAN “ B

A five year old. On top of the world or so they say. Very grown up, rich tri, loved her expression, very clear eye, set well, ears ok. Good reach of neck into very good top line. Her shoulder and upper arm of equal length, say's wonders for her movement. Had enough coat of the right texture to please anyone, covered the ground so well. Athletic is the word I choose. Very, Very nice. BOB G4.

Nearly five years old and a delight to go over, shaded fawn of excellent breed type. Even proportions throughout. Strong head for a girl, eye shape and colour very good. Enough reach of neck for me, coupled with a very well muscled top line of good length. Good tail set all angles good fore legs straight, under line good, with just the right amount on tuck. Both thigh bones of equal length, and producing a very nice angle. Moved out with her handler at an even pace, was sound and eye catching. Well done. BAVNSC. G2 Well done.

1 Le Moignan " WATERLEY SKYFALL " D

Just over 2 years old and so eye catching, owned the ring from the start. Gold sable, masculine, and so sure of himself. Even proportioned head, strong muzzled, good pigment. Eyes of good shape and colour. Enough neck to please, well defined wither, into of course a strong well muscled top line of good length, I said of course because I wouldn't expect anything else under his profuse coat. His bone although was superb. Shoulders in particular of the correct angle and length. Rear assembly so well put together, which produced an outstanding side gait, and running true coming and going. BOB G1 Best in Show.

2 Le Moignan " LASANG TIGER LILY " B

#### **SHIH TZU**

##### **PUPPY**

1 De La Cour " CAVATEENA RED RASCAL " B

Robust young lady, G/W just a day over six month. Showed lots of promise. Steady on the table. Well placed eyes, good mouth, very good reach of neck well defined wither, strong top line, I felt her coat was ideal for her age coupled with good texture. Enough bone to please. A trifle wide in front, which didn't impede her forward reach. Very sound and well collected. BP RBP in G.

2 Gordons " CAVATEENA RUBY RED " B

#### **OPEN**

1 Bowring " MIRACEY SERIOUSLY SPICEY " D

2 year old well made very masculine male, very confident on the table, Gold jacket, good texture and so well covered. Very smart, good head and pigment, adequate reach of neck, lovely top line which he held at all times, good bone liked his length, some I find are far too long. On the move both handler and dog moved at the right pace, sound of course and a credit to the breed. BOB G3 and well deserved.

### **LHASA APSO**

#### **PUPPY DOG**

1 Billington " DENZARNIA BEST FOOT FORWARD " D

At seven month old a delightful youngster, so well presented, t/w coat, most of the table dogs did so well today and he was no different, super. Strong well made head, good muzzle, well padded, pigment good, eye shape and colour ok. Held his head high without help from his handler. Neck good top and under lines very good. Good width, shoulders at good angle, elbows well tucked, this I feel is essential for the breed. His well defined rear, which I was impressed with, did him so well on the move. Sound and smooth, well done. BP. PG1.

## **PUPPY BITCH**

1 Billingtons “DENZARNIA DANCING LADY” B

Similar to her stablemate with very little to choose between them, but on the day I found the dog more balanced on the move, and was a little more attentive. I'm sure they will change places often in the future.

2 Walker “TERENDAK'S FRANTASTIC FOR PETWALK “ B

### **OPEN**

1 Walker “KUTANI SKYFALL “ D

2 and half year old male cream very mature for his age. Had the coat and substance I admire, just let down on the move today, very soft expression, head carriage good reach of neck good. Well developed top line and as I've said good substance. Good angles, elbows of course well tucked in, chest proportions good, both front and rear assembly good, sound on the move but lost his balanced at times, still a well deserved BOB G2 can't be bad, or can it.

## **MINIATURE SCHNAUZER**

A 16 month old girl, so well put together, found it difficult to stand all square, lovely profile, with good head carriage, super top line and front and rear angles very good. She did perform so well on the move. Very tidy feet. Handler did so well on side gait keeping her at the right pace. Well done BOB G4

## **POMERANIAN**

### **OPEN**

1 Bennetts "THELBERN BOI-ZEE" D

21 months and very confident easy mover, balance and moved at an even pace. On the table, very keen. Lovely expression with the eye shape and colour so eye catching.

Profuse coat, nice short back, moderate bone, just a fraction wide in front. Very sound and well handled. Well done, scored so well I just couldn't deny him the top spot.

BOB. G1

## **PAPILLON**

### **LIMIT**

1 Simon & Smith "GARSIV'S SUNNY OF RINGLANDS" D

r/w 13 months and so typical of her kind, she has the ears for it, or so they say. Super head piece, delicate expression, I hope that's the word for it, gorgeous eyes. Ears so well balanced. Not too heavy in bone, good overall profile, tidy feet which is a must for this breed. Tail carriage good. Smooth and graceful on the move. This won her BOB and almost a group place.

### **OPEN**

1 Simon's "RINGLANDS TANGO IN THE HEAT" D

4 years old, dark red sable. Lovely well balance head, high wither into a very firm top line, he was so well behaved on the table and demanded all attention. Good tail carriage, he pushed hard for best but his stable mate had the edge. Still very nice indeed.

2 Simon "RINGLANDS FROSTY FERN" B

## **CHIHUAHUA SMC.**

### **PUPPY**

1 Walker & Bissons "NIKITOS NOSECONDTHOUGHTS" D

11 month old baby, very nimble, well put together, quite good on the table, showing excellent profile, clean eye shape and colour, boded up well for one so young, good for bone and I must say, top and under lines very good. Rather erratic on the move, needs more lead work to settle. Most owners fail to realize this aspect of showing the smaller breed. BOB BP. G2

## **AVNSC**

### **OPEN**

1 Walker "ZUMARNIK DELIGHTED FOR PETWALK" D MALTESE.

Another from this stable which was good for type and proved very steady on the table, head of good proportions, good reach of neck with just the right amount of bone for the breed, super top line, again I felt movement on the lead could be improved with more practice. BAVNSC.

1 Brouard "BOTLIERSKOP HEAVEN SENT" B

Just over a year old, and to be honest I found little to choose between my limit bitch and my open girl. In fact I felt the handling and movement to be the deciding factor. This limit bitch scored well in head, expression reach of neck, and of course general presentation. Her top line was so important in this breed, lack of firmness will always move you down the line, today hers was perfect. Excellent for bone, angles, very good feet, and of course a very wide deep roomy chest. All angles good movement was and always should be dictated by the handler, and so it was today outstanding.

**BOB. G1**

**OPEN**

1 Clarks "BOTLIERSKOP VIOGNIER" B

A more mature bitch, just over 4, and on first glance really did impress. The more I went over her the more I liked her, so feminine and so cool in presentation. Lovely head proportion, tight lips and calm when stacked. Good handler, firm top line. Elbows well tucked in. Really good angles, another with very tidy well arched feet. Lost out to the limit bitch, on movement. I felt she lacked the drive and balance I was looking for. But and I say a big but, I could change my mind on another day if she settled sooner. Even so, well done.

**ALASKAN MALAMUTE**

**PUPPY**

1 Brouard "DREAMWOLVES J'ADORE" B

At just 6 months living up to her name, a dream of a girl. Loveable and so correctly made showing balance, even temperament, and a very biddable nature. Classic head lovely expression. Good stop, not too severe, ear set good. Strong under jaw. Neck of good length into well pronounced wither. Best of top lines into moderate angle to croup, and correct tail set and carriage. Excellent bone, and good feet. All angles more than acceptable. Smooth on the move showing drive balance and running true coming and away. BP and a well deserved. BP in SHOW made my day.

**OPEN**

1 Ingrouille & Elouardi "ICETRAX SNO PROOF" B

Very mature bitch of good type, good coat and colour. Strong bone, not too heavy though as I dislike masculine bitches. Profile excellent feminine head piece, good ears, and very good neck and shoulders. Short, wide, very firm top line. Very good tail set and carriage. Good fore hand, straight legs, tidy feet, good under line, for a bitch good length to loin, good tuck and very flexible. Strong quarters very, very strong well angled hocks. Moved out well, ground covering without dictating pace, well done.

1 Bligh "WUZIBEAR'S EVERLASTING LOVE AT BURHOU" B

**NEWFOUNDLAND**

3 year old substantial girl, put down in excellent condition, very eye catching and very well presented, as most today handled with ease. Lovely head piece well padded muscled, tight lips and very good stop, eye shape, and colour good. Ears well set. Dentition did not impress, this apart a very acceptable exhibit. Good bone just a fraction wide but chest proportions were so good, deep and well ribbed. Top line

could in time be improved. All angles good, pasterns and hocks good. Loved her on the move. Well collected sound and on a par with her handler. BAVNSC. G3
