

The Guernsey Kennel Club Members Show – 28th February 2016 – Judge Richard Morris (Lascoed)

A delightful pleasure to judge this well organised and friendly Island show, thank you to such sporting exhibitors who brought along quality and well presented dogs. A dedicated committee worked so hard across the weekend to create a wonderful atmosphere and a first class event. Many thanks to you all for a super welcome and hospitality shown towards both myself and my co-judge Sue Garner.

BIS was the Lhasa Apso, Walkers - Chanceinns Sir Gino Avec Sifrason JW Sh.CM and RBIS the Labrador Retriever, Haynes - Sandylands Fun Time, two splendid dogs with bright futures. BPIS was the Rhodesian Ridgeback, Le Brun – Walamadengie Flaunt It and RBPIS the Irish Setter, Cox – Tiroen Too Darn Hot.

Retriever (Labrador) L (1,0)

1. Sharpe – Kermouster Black Magic

A fourteen months old black bitch of solid, active type, strong bone and firm feet, good length of muzzle, pleasing expression with dark eyes, well shaped rims. Excellent barrel ribcage with depth of body and well turned stifles. Moved soundly front and rear carrying a super “otter” tail.

Retriever (Labrador) O (2,0)

1. Haynes – Sandylands Fun Time

Most impressive two year old black dog full of real substance and hard condition, typical breed outline. The very best of quality, well balanced, masculine heads with excellent, correct expression and stop, dark eyes, well shaped rims. Outstanding strength and quality of bone down through the pasterns, tight, well padded feet, very firm across the loins carrying just the right amount of weight. Good spring of ribcage, very strongly muscled hindquarters with deep second thighs and the very best of short, thick “otter” tails. A determined and sound mover with good tail carriage. Scored especially with his glorious double coat, dense, of the correct texture and outstanding head qualities with length of muzzle. Came into his own in the big ring where he impressed so much to take RBIS, good to find a labrador here with all the essentials and so true to the breed. BOB, G1.

2. Sharpe – Carriegame New Beginnings Of Kermouster

A neat and typical black bitch, well barrelled ribcage and short coupled, level, firm topline. Well angulated throughout with super breed tail but not the coat of the winner. Sound mover.

A four year old B/W bitch, lovely typical head and expression with dark eyes and good stop, pleasing for type, size and temperament with happy nature.
