The system and scale of points have been carefully devised to ensure winners are worthy of the title. Points are awarded at the three Guernsey Open Shows, Spring, Autumn and Winter. All dogs must be Channel Island registered. Sixty (60) points are required to win this award.
Wins as puppies are also counted.

Owners must keep a record of each dogs' wins.

All claims **MUST** be in writing giving the following details >

Date of show, show title, Judge, dog's ring No and name, class, place awarded, points won and the running total. Record cards can be purchased from the club.

The claim should be forwarded to the Official Recorders.

If you any questions please contact:

Following Committee approval, the owner may use Pd'H after the dog's name when entering all Channel Island, UK and foreign shows and on all documentation relating to the dog.

A Prix d'Honneur also entitles the dog to lifetime Crufts qualification.
