

PUPPY

11 month old fawn Pug bitch of good size and type, compact which made a nice outline, correct head and dark eye, well placed ears, correct dentition, decent arch to neck into good lay of shoulder, straight legs, set on good feet, good depth of chest, moved well and held her top line, Best Puppy.

JUNIOR

Bearded Collie Male of good size, nice head qualities, broad, flat skull and moderate stop, dark eye and correct dentition, easy expression, sloping shoulder into muscular body, good bone, on the move he covered the ground with ease and held his top line, correct tail set, in good jacket for his age, correct angulation, well handled.

18 - 24 MONTHS

Irish Setter Bitch full of quality who caught my eye the minute she set foot in the ring, she set the bench mark for the evening, beautiful feminine head of good proportions long and lean, good skull size, dark eye of good almond shape showing lovely expression, correct dentition, good length of neck flowing into good shoulders, good angles all round, well boned set on good feet, she moved very well and I couldn't take my eyes off of her beautiful chestnut colouring, very well handled, Best in Super Match.

ADULT

Chinese Crested Bitch of happy disposition, made the most of her lovely character, skull of good proportions slightly rounded, dark eye almond shaped, well set ears which she used to advantage, scissor bite with good muzzle, good length of neck into good lay of shoulders, good legs into strong pasterns, correct feet, well bodied and good angles all round with well let down hocks, good tail set which showed on the move as she owned the ring, well handled, Reserve Best in Match.

Shih Tzu Dog, good quality boy of lovely breed type, correct head and dark eye, showing good expression, well set ears and well covered, good mouth wide muzzle, good length of neck, well laid shoulders, good bone, correct body proportions, level back which he kept on the move at all times, very nice tail set, decent jacket, well handled.

Saluki

Dog of 2½ years, a lovely dog of correct head ratio, long and narrow, lovely dark eye, well placed ears, well furred, scissor bite, well muscled neck leading into sloping shoulders, legs straight slightly sloping pastern, body well muscled, good tuck up, moderately angled, correct hocks, well carried tail, movement was effortless, good feathering all round, in beautiful condition.

Spanish Water Dog

Black and white bitch of good size, lively character who showed herself well, head planes good proportions, with flat skull, oval eye showing good expression, well placed V shaped ears, scissor bite, strong neck set on good shoulders, legs straight with enough bone, strong feet, well sprung ribs and level back, well let down hocks, lovely coat of correct curly texture, presented well and well handled, moved well.

Tibetan Terrier

Dog well balanced boy with typical outline, good head with dark eye, strong muzzle, moderate stop, well set ears, correct bite, neck of medium length flowing into good shoulders, good bone pasterns slightly sloping, boy well covered and muscular, good coat moved with reach and drive always maintaining his top line, very well handled.

Veteran

Pomeranian Boy of 10 1/2 years old, missing some teeth but his body and movement belies his age, nice head giving correct foxy outline, dark eye showing wonderful expression, ears well carried which he used to his advantage, good neck well set into the shoulders, short compact body, in good coat, moved round the ring like a youngster, well handled.

JH 6 - 12 YEARS

1st Porscha Rault handling a min long haired Dachshund, a competent young lady who had a great rapport with her dog, she was calm and attentive at all times and encouraged the dog with her voice, she showed the teeth with ease and handled the dog on the table to advantage, pattern work was accurate in the class but just let her down for Best Junior in the challenge, must remember not to rely on the matts, well done.

JH 12 - 16 YEARS

Donna Brache handling a standard long haired dachshund, a lovely handler too, was sympathetic to her dog and encouraged her all the way, showed the teeth very well and completed all patterns in the precise manner, good straight lines and listened well and won over the younger winner by completing the patters in the challenge correctly, well done, Best Junior Handler in Match.

ADULT HANDLING

1st Paige Le Moignan, handling a Tibetan Terrier, a top class performance, calm and attentive to her dog at all times, moved the dog at the correct speed to get the very best from him, excellent pattern work with super straight lines, showed the teeth correctly and managed the dog on the table to advantage, a very talented handler who would rival professional handlers, well done, Best Adult Handler.
