

The Guernsey Kennel Club Spring Open Show 20th May 2012

Judge Mr Neil Smith

Firstly I would like to thank the committee for their kind invitation to judge at this prestigious show. Their hospitality was exceptional and coupled with an entry of very sporting and knowledgeable exhibitors it made for a very enjoyable appointment. The quality of the dogs entered was high in most cases and I was pleased with the awards I made.

**WORKING GROUP**

**Boxer**

**Limit (1)**

1st. Mr B & Mrs S Rousseau's Sunhawk Norwatch Temptress at Dimkas - 18 month old bitch of good proportions with a well balanced head, unfortunately not confident when being assessed however came together well on the move striding out freely.

**Open (1)**

1st Dr M Bayes's Docrema My Boy Madge - A strong mature male with good bone and muscle. An elegant arched neck and a wide deep chest. Good hind angulation and was therefore a little disappointed with his drive on the move, though he still performed well enough to deserve his BOB.

**Alaskan Malamute**

**Open (1)**

1st Miss D Ingrouille's Ictrax Boss In Motion - 2 year old dog a powerful looking dog well boned with strong deep chest. Head of correct proportions. Concerned about his temperament on the day and will need to improve on this in the future. Moved with sufficient drive and power. BOB.

**Rottweiler**

**Limit (1)**

1st Mrs H Rogers's Botlierskop Hanepoot - 2 year old bitch compact and powerful to look at but she was not happy today, making her difficult to assess.

**Open (2, 1Abs)**

1st Mr K & Mrs G Clark's Botlierskop Viognier - 2 year old bitch broad skull well boned cheeks and deep muzzle giving a pleasing head. Shoulders well laid back however would prefer a little more spring of rib to complete the picture. Good powerful movement. BOB

**AVNPC**

**Puppy (1)**

1st Mr J & Mrs C Bligh's Wuzibears Everlasting Love at Burhou - 6 months old Newfoundland bitch. Nice broad head with short muzzle, well balanced body with a deep chest for one so young. Still developing but no obvious faults. BP

### PASTORAL GROUP

#### Border Collie

##### Open Dog (1)

1st Mr A Rees & Mr C Cullen's Tonkory Examiner - an alert 2 year old shown in fabulous condition with a dense and abundant coat. Well angulated hindquarters moved smoothly and with plenty of drive. BOB

##### Open Bitch (2)

2nd Mrs P J Hitchon's Patois Concerto

#### Bearded Collie

##### Open (2)

1st Ms R J Martell's Moonspell Fleur Des Isles - 2 year old bitch. Nice broad head and strong muzzle, well laid shoulders good length to ribcage and strong loin. Well bent stifles, could maybe develop a little more muscle in her hindquarters and will need a little more coat if she is to achieve top honours. She is however well made and has a smooth and supple movement covering the ground with ease. BOB

2nd Ms R J Martell's Vilmorin Silhouette

#### German Shepherd Dog

##### Limit (2, 1Abs)

1st The late Mrs B & Miss B Lawrence's Surfstone Hot Salsa - 1 year old male that when settled has a lovely outline that is both masculine correctly angled. He is well muscled and was shown in good condition. He is erratic on the move at the moment which means he does not do justice to his handler.

##### Open (2)

1st The Late Mrs B & Miss B Lawrence's Penwartha Apache Arrow PdH - 8 year old male beautiful dog who commanded the ring. Has the correct proportioned head with high set ears carried erect at all times. Moved soundly. BOB

### Shetland Sheepdog

#### Limit (1)

1st Mrs C Poidevin's Conorvean Bobbin Joan - 2 year old bitch well balanced and alert using her ears well. Well angulated shoulders. Would prefer slightly more spring of rib. She moved well keeping her topline.

#### Open (2)

1st Mrs C Poidevin's Sundark Salice PdH - 9 year old bitch shown in fantastic condition that belies her age. She is still alert and moves gracefully with good drive. BOB

### A V N P C

### UTILITY GROUP

### Lhasa Apso

#### Open ( 2, 1 Abs)

1st Mr P J Walker's Hopeinns Take That at Chanceinn - 4 year old male. Shown in fantastic condition with full coat. He has a good head on a strong well arched neck which gives him excellent ring presence. He is well ribbed with a strong loin. Excellent tail carriage at all times and he has the correct jaunty movement. BOB. He is hard to overlook and I was not surprised when my co judge gave him BIS.

## Tibetan Terrier

### Limit Dog (1)

1st Miss L Morgan & Mr B Simmons's Kybo Mister Milan at Kaladash - 18 month old black male. Lovely head and good neck and shown in excellent condition. Good back angulation and tail set. Prefer slightly more laid back shoulders which would help his reach when on the move. Would also benefit from a little weight loss, but on the whole a pleasing dog.

### Limit Bitch (3)

1st Mrs C Le Moignan's Lasang Tiger Lily - 20 month old bitch. She is of the correct size and square shape. She has adequate neck and well laid shoulders and good return of upper arm. Nice deep brisket ribbed well back with short loin. Not exaggerated in any way, she moves well but would maybe like to see her with a bit more verve at times. Happy to award her BOB.

2nd Ms R J Martell's Kybo Rio Royale.

3rd Mr K E Cochrane's Araki Dita Von Tease.

### Open ( 2, 1 Abs)

1st Ms R J Martell's Araki Rumor Hasit - 3 year old bitch. Again of correct size and shape would maybe like a little less weight over the loin. She has good shoulders and is well ribbed back. Sound on the move but again could use a little more reach and drive at times.

## Chow Chow

### Open (2, 1 Abs)

1st Miss I P Gaved's Traversains Ching Fu - 2 year old dog Compact and well muscled with a profuse rough coat. Nice dark eyes and correct pigmentation. Moved correctly for the breed. BOB.

### Puppy (1)

1st Mr P J Walker's Dilemma Dream A Little Dream for Petwalk - 7 month old black and white male. A puppy full of character, correct head and lovely dark eyes giving the correct expression. Well laid shoulders and good muscle for his age. Really shone on the move and I predict he will do very well when he matures.

### Open (3, 2 Abs)

1st Mrs J Girard's Forepaws Gift Of Gold - 6 years old gold and white dog, good pigment giving a pleasing expression. A good tail set typical for the breed. Moved adequately though I would prefer a stronger rear action showing more full pad. BOB.

## Bulldog

### Limit (1)

1st Mr P Steer's Rebel Red - 17 month old red and white male. Well muscled with broad shoulders, wide chest and well ribbed up. His head was typical for the breed yet still giving enough room for him to breathe easily. A good broad jaw with correct jaw placement. Mature for his age was able to move quite freely whilst maintaining the correct short quick steps for the breed. BOB.
