SPRING OPEN SHOW SUNDAY 19TH MAY 2013

TOY GROUP

Papillon Open Dog

1st Mrs R Simon Ringland Tango In The Heat

3years old sable of obvious type and quality, beautifully balanced throughout, typical head balanced well proportioned with correct scissor bite, presents free flowing gait BOB and Group 4

Papillon Open Bitch

1st Mrs R Simon Ringland Frosted Fern

3 years red and white from the same kennel, same remarks could apply for this quality exhibit, in the challenge she tended to move very erratic but good handling soon corrected this.

Pomeranian Open

1st Mrs S Bennett Thelbern Bill Bailey,

Three and a half years old orange sable expressing breed type and quality being very sound throughout, dark eyes, strong jaws and correct dentition topped by a typical ear set, short neck leading to a well constructed front and forehand, clean shoulders short back showing required angles front and rear, excellent tail carriage, moved and handled very well BOB

Pekingese Limit

1st Mrs E Dale and Mrs P Michel Alanskei Gino At Ksarina

18 months old fawn male, very impressive when posed showing typical breed characteristics with with a sound temperament, presented in abundant coat, large head, broad skull, broad short nose large nostrils, wrinkled muzzle with a complimentary dark mask, well set large clear eyes, sound front, slightly bowed forelegs moved well producing required typical roll

Pekingese Open

1st Mrs E Dale and Mrs P Michel Ksarina Somethings Going On

Very good exhibit just under 4 years old and so well balanced throughout, exhibiting superb breed characteristics, lovely head qualities with complimentary dark mask, broad skull, good pigment to nose lips and eye rims, long profuse feathering to ears, superb angles to front and rear, excellent tailset, when moving this dog produced the expected rolling gait with close rear action a lovely exhibit BOB and Group 2

Maltese Limit.

1st Miss J Collins Islandsilk Chiffon Cloud

22 month old female in superb long silky coat correct head carriage showing alert intelligent expression, nice head well balanced with defined stop. Good pigmentation to nose and eyes, long feathering to ears good bite and clean dentition fore quarters short and straight level back leading to well angulated quarters moved very well indeed.

Maltese Open

1st Mr P Walker Zumarnik Delighted For Petwalk 3year old male of obvious quality presented in excellent coat and condition, well balanced head with broad muzzle and good filling under the eyes. Dark oval eyes with dark rims well feathered ears strong jaw with complete scissor bite and clean dentition, medium length to neck, excellent shoulders and back with excellent spring of ribs and typical tail set, when asked to move produced lovely free gait handled very well indeed.

BOB Group 1

Chinese Crested limit

1st Mrs F Officer Scherzando Wilson At Eeri 12month old female powder puff with lovely head and expression slightly rounded head with elongation to skull, clean cheeks tapering into muzzle, very

alert expression good fringing to ears and body, long clean neck and strong shoulder, elbows laying close to the body showing moderate tuck up good hair feet. When asked to move she produced good reach with good drive handled well indeed. BOB

AVNPC

Toy Limit

1st Mrs A Brouard Pleasantnook Luther 14 month old black Pug of very square cobby appearance, excellent hard muscular conformation. What a kind even tempered happy disposition this youngster had, it was a pleasure to put hands on. Lovely round large head, short muzzle being blunt and square defined wrinkle dark large eyes, nice earset, wide jaw with straight incisors. Crested thick neck standing on good bone, wide chest and level top line. Strong rear legs straight and parallel high set tail. When asked to move he tended to pace, but when his young handler moved him at the correct speed he was quite happy to oblige and fall into the correct gait. I will watch this youngsters career with interest. A very nice exhibit and well done with her patience. He got BOB and Group 3.

WORKING GROUP

Rottweiler Puppy 1st Mr K & Mrs G Clark Botlierskop Empress Jayde 7month female displaying good proportions to her body, a lovely nature with good characteristic excellent head planes broad skull and fairly deep muscle. Good muscle development to cheeks, typical eyes ears and mouth. Excellent scissor bite and clean dentition. Well laid shoulders and good bone to legs, roomy chest developing nicely straight strong back with good croup set. Strong high quarters muscling up well indeed. Sound strong hocks will let down with maturity. Produced strong powerful gait a nice puppy. BPIB BPIG.

Rottweiler Open 1st Mr K & Mrs G Clark Botlierskop Viognier female approaching 3 years from the same kennel as the puppy winner. Very sound being correctly constructed in all departments. Typical head well constructed body standing on good strong bone. Excellent fore quarters showing well laid shoulders, good substance but very obviously feminine. Good schooling was very obvious to me as when asked to move she really powered around the ring exhibiting positive gait. BOB

Alaskan Malamute Limit 1st Mrs N Brouard Dreamwolves Cauz for Aplauz. 16 month old male beautifully presented in immaculate condition, powerfully built with heavy bone, broad head and skull with moderately flat cheeks. Slight stop, large muzzle good mouth and clean dentition, black nose and dark well shaped eyes. Small erect ears strong arched neck leading to powerful body. Good musculation to hind quarters standing on strong hocks and large compact feet. Excellent tail set, double coat and well handled to produce strong powerful easy gate BOB Group 1.

Alaskan Malamute Open. 1st Miss D Ingrouille Ictrax Boss in Motion. 3 year old male of good quality with excellent conformation and substance. Excellent head qualities with tidy earset and good eye shape. Strong powerful body with nice deep chest. Broad powerful hind legs with good musculation and broad strong hocks well let down. Excellent croup and tailset, in good coat with nice dense undercoat. Not feeling 100% as he had a slight accident never the less he gave a good display both standing and on the move.

Boxer. Open Dog. 1st Dr M Bayes Docrema My Boy Madge. 6 year old brindle and white boy of extremely good quality, a very self assured character full of stamina and intelligence very squarely built standing on strong bone and showing great stability. Very good head with lean skull and square

powerful muzzle. Lovely dark velvet mask. Correct ear set with dark eyes. Good straight incisors correctly undershot. Nice arch to neck strong and powerful, good length to upper arm and nice short pasterns. Deep chest with well arched ribs, clearly defined withers. Short straight back very strong quarters well muscled. Moved well displaying a good reach and excellent drive from the rear. BOB Group 2.

AVNPC Working Limit. 1st Mr J & Mrs C Bligh Wuzibears Everlasting Love at Burhou 18 month old female Newfoundland of very good quality. Beautifully presented in excellent condition stood on massive bone with obvious female characteristic. Super broad head with well developed occipital bone, clean square short muzzle small deep set dark eyes and small well set ears. Excellent bite and good clean dentition, strong neck leading to good shoulders. Elbows neat and close fit to sides, broad level back and strong musculature to loins, broad deep chest good webbing to large feet excellent tailset. Handled well on a loose lead to allow the dog freedom of head carriage and producing free slightly rolling motion. A nice exhibit indeed BOB Working NPC and Group 3.

Working Group 1 1st Mrs Brouard Alaskan Malamute Dreamwolves Cauz for Aplauz

Group 2 1st Dr Bayes Boxer Docrema My Boy Madge

Group 3 1st Mr & Mrs Bligh Newfoundland Wuzibears Everlasting Love At Burhou

Group 4 1st Mr & Mrs Clark Rottweiler Botlierskop Viognier

PASTORAL GROUP

Beaded Collie Open 1st Ms R Martel Moonspell Fleur Des Isles 3 year old female of super quality presented and handled very well indeed. Well proportioned head with broad square skull strong muzzle square nose and wide set large eyes. Clean dentition muscular neck of moderate length nice straight legs with good bone level back and strong loins, deep chest, adequate musculature to well balanced quarters, low set to tail. When asked to move produced a long reaching stride, handled well without pressure. BOB.

Shetland Sheepdog Open 1st Mrs C Le Poidevin Sundark Salce PdH 10 ½ years old and what a great performance she gave never stopped showing for a minute. Showed excellent proportions throughout in good coat and condition. Head planes very good indeed, pretty expression, nice flat skull and flat cheeks slight stop. Good mouth, nice almond shaped eyes. Very tidy earset alert and semi erect. Muscular arched neck producing proud head carriage. Well laid shoulders with good angulation, level back with lovely sweep over the loins. Moved well for owner and produced a smooth graceful action with rear drive. BOB Group 3 and Best Veteran well done.

German Shepherd Dog Open

1st Miss B Lawrence Surfstone Hot Salsa

Two and a half years old male black and tan with black saddle, I really liked this excellent specimen so very well balanced throughout, lovely head qualities clean cut with lovely wedge shape to muzzle, intelligent and self assured expression, tidy ear set, strong jaw with a good scissor bite, his shoulders are very well laid with a complementary upper arm of good length that stands his forelegs well under offering support and stability, his height to length ratio is correct, with a topline that is firm and slightly exaggerated without the slightest sign of any roach, his quarters show the required angles with a good width of thigh standing on positive hocks, if I needed any assurance as regards his construction, this was confirmed as soon as he moved, powering around the ring producing a correct two beat diagonal gait, BOB Group 1 and RBIS well done.

Border Collie Limit Dog,

1st Mrs T Buckley Les Nuages Papageno,

One year old male presented in super coat and condition, standing on good strong bone, well

proportioned and balanced throughout, good head with distinct stop, correct oval eyes, good ears set, slight arch to neck, well laid shoulders, broad muscular quarters used well on the move, handled very well to produce a free tireless gait.

Border Collie Limit Bitch,

1st Mrs G Davies Les Nuages Rosina,

Litter sister to the limit dog and the same remarks could apply, a nice bitch indeed, exhibited in excellent condition and conformation, pretty head all female, handled very well producing a very agile gait.

Border Collie Open Dog

Mr A Rees & Mr C Cullen Tonkory Xaminer.

Three and a half year old double champion bred and of exceptional quality throughout, showing correct angles to front and rear, in excellent condition, lovely temperament and so willing to please handler, good head qualities with excellent eyes and ear set, good mouth with clean dentition.

Muscular hind quarters that ensures a very well turned stifle, good tailset, precise handling allowed the head carriage and topline to adopt the correct position in line with his topline showing extension and drive. BOB and Group 2,

Border Collie Open bitch

1st Mrs C Pearce Tonkory Unforgettable At Shalimar,

I see that once again this six year old female is the progeny of champion parents, well proportioned body qualities with a very smooth outline, lovely feminine head with an intelligent expression, good eyes earset and mouth, standing on sound bone showing evident strength, good spring to ribs with a deep chest, strong hind quarters and hocks, moved very well for her patient handler .

AV Pastoral NPC Puppy,

1st Mrs J Swan Amberslade Indiana

Six month old tri Australian Shepherd male, in the very best of condition, he is very well constructed and just right for this stage of development, typical head qualities, with a well set eye and pleasing earset, good mouth with excellent dentition, shows a pleasing height to length expressing balanced proportions, moved as expected for a baby, in association with the sweetest of temperaments, BAVNPC Puppy and BPIG.

AVNPC Open

1st Mrs V Dowding Mybeards Golden Button.

Three year old Polish Lowland female with evident type and quality, well balanced throughout, typical head, with good angles front and rear presented in the very best of condition, precise handling posed and on the move. BAVNPC and Group 4

UTILITY GROUP

Chow Chow Open

1st Miss P Gaved Traversains Ching Fu 4 years old red male, short coupled compact and so very well balanced, super broad head with moderate length to muzzle, large wide nose, lovely dark eyes, small thick inclining ears, good mouth and clean dentition, strong jaws, excellent pigment to roof of mouth and tongue, strong muscular neck set on shoulders correctly, straight forelegs, broad deep chest with good spring of ribs, short back level and strong, powerful loins, muscular hind quarters with well let down hocks, small feet good tailset, moved well indeed showing the required short

stilted gait, a superb exhibit.

I was proud to award him BOB and Group 1 and excited to see him go BIS well done

Shih Tzu Limit

1st Miss S Bowring Miracey Seriously Spicy

1 year old golden male of obvious quality, presented in the best of condition and coat, broad head with good width to muzzle, dark eyes, good feathering to ears, balanced body standing on good bone, well coupled and sturdy, nice level back, muscular thighs, typical well plumed high tailset, moved well producing smooth flowing action, a very alert friendly temperament BOB

Shih Tzu Open

1st Mrs J Girard Forepaws Gift Of Gold

7 years old male of very good quality, typical head with good eyes mouth and earset, presented in good coat and condition, excellent body properties, well constructed front and rear, moved in typical fashion, well handled

Lhasa Apso Puppy

1st Mr P Walker Petwalk Provocateur

Cream baby of just 7 months but already shaping up to be a very promising youngster being very well balanced and presented in super puppy coat, lovely arch to neck, correct length to body at this stage of development, pleasing front and forehead, typical head with a pleasing expression, his exuberant temperament speaks well for his future BPIB BPIG BPIS well done

Lhasa Apso Open

1st Mr P Walker Petwalk Hotter Than Hell

Just out of her puppy career this 12 months old female makes an immediate impression in profile being well presented in excellent coat and condition taking advantage of the glamour associated with this popular breed, beautiful feminine head showing required furnishings with good fall over the eyes, straight fore face, good eyes mouth and earset, typical bite with the cleanest dentition, correct height to length ratio, sound rear standing on parallel hocks, a well set tail completes the picture, a very sound mover BOB and Group 3

AVNPC Puppy

1st Mr J Wilson Janeryl Rocking Rio

11 months old Japanese Shiba Inu red and white with good urijiro markings, feminine head with sweet expression, typical breed characteristics, pleasing body shape with no exaggerations, stood on adequate bone and tidy feet, good topline and complimentary underline, well balanced throughout, correct tailset, moved as one would expect for a baby, very promising Best AVNPC Puppy

AVNPC Limit

1st Miss S Smithers Chalkwell Who`s That Girl At Meantmore

13 months old white Standard Poodle bitch stunning shape and so well proportioned throughout, very elegant with super temperament, long fine head with good chiselling, dark well shaped eyes good pigment to nose lips and eye rims, strong jaw with full dentition, good length to well proportioned neck allowing excellent proud head carriage, stood on good bone and neat tight small feet, deep chest, well laid shoulders, nice spring of ribs, well developed hind quarters, muscular thighs and well bent stifles, correct tail set, handled very sensibly indeed producing a gait exhibiting sound and free with good drive, a lovely bitch she was unlucky to meet the Chow Chow in the group, a close decision Best AVNPC and Group 2

AVNPC Open

1st Mr P Walker Danti`sGotta Have Faith

Akita bitch just under 3 years old, very soundly constructed throughout, typical feminine head

balanced and well proportioned, pleasing muzzle to skull with good bite and dentition and a well set eye presenting a pleasing expression, very pleasing to the eye in profile showing balance with no obvious exaggerations, hands on revealed a typical moderate lay of shoulders with required articulation to upper arm, good depth and width of chest, firm top line well set croup and tail set, very sound quarters, used her virtues to advantage when gaiting.
