Guernsey Winter Open Show Oct 28th.

Having judged before on these islands, I was looking forward to meeting up again with old friends and their warm welcome. I wasn't disappointed.

A huge thank you to my capable steward.

BIS the German Shepherd the late Mrs B & Miss B Lawrence Surfstone Hot Salsa. This dog took my eye from the minute I saw him and just hoped he would not disappoint me. He just went better and better in a larger ring, very fluid in motion strong powerful dog without any coarseness, nothing weedy about this boy, superb outline, strong quarters, loved his head and intelligent expression, deep brisket. RBIS the Irish Setter Cox, Ch Tiroen True Blue Sh Ch, another other quality dog, like the BIS winner shown in hard muscular condition, outstanding head without any coarseness, good dark eye, superb neck and shoulders, good bone and feet, moved soundly carrying his head high. Best Puppy in Show Bowring, Maracay Seriously Spicy, Shih Tzu, a real baby but not to be overlooked, real chrysanthemum face with open nostrils, arched neck, held her topline moving with a purpose.
