

My most sincere apologies for the delay of this report. This is due to ill health, which has continued to date and have had to undergo hospitalisation and continuing treatment. This has resulted in great difficulty in typing for any length of time. My time and stay in Guernsey was one of the best shows I have been to, the exhibitors and Committee with many youngsters learning the trade. My two young stewards leading the way.

## **GUNDOG GROUP**

### **COCKER SPANIELS**

#### **LIMIT DOG**
