

THE GUERNSEY KENNEL CLUB WINTER OPEN SHOW.

LES MAINGYS ACTIVITY CENTRE.

SUNDAY 27TH OCTOBER 2013. JUDGE MR STEVE MYRING.

I would like to say a big thank you to the officers and committee for giving me the privilege of judging on your wonderful Island and for your warm hospitality. My hotel was first class and I was very well looked after at all times. The organisation to get me to and from the Island was superb and for which I am very grateful because that is not always the case for some of the shows I have flown to, thank you Jeannine. The show has an excellent venue and the exhibitors were very kind and took my decisions well, it ran smoothly due to your excellent show manager David Turner and my hard working stewards Adele Malpas and Graham Le Prevost who kept the ring running smoothly all day without any problems arising and they deserve a big well done for sticking to their tasks. My BIS was a beautiful young Rottweiler bitch Clark's, Botlierskop Empress Jayde who shows so much class and well deserved her win although she was pushed hard by a GSD dog Lawrence's. Surfstone Hot Salsa. who was my RBIS. My BPIS was a superbly fit Tibetan Terrier dog Le Moignan's. Waterley Skyfall and my RBPIS was a very striking Hungarian Vizla dog Long's. Forthenry Royal Commander. My BVIS went to a lovely SBT bitch that is 11 years old and her tail never stopped wagging and she looked so happy to be there and moved so well. I would have loved to have brought her home with me. My overall impressions of the dogs that were shown under me were very good with some beautiful examples of their breeds; they are a credit to Guernsey and Jersey. **TOYS...Chinese Crested. Open. 1st & BOB & G3.** Officer's. Scherzando Wilson At Eeri. 17 mths B. Her overall balance is good and she looked well although a little apperceive when on the move but she deserved her first places. **Papillion OD. 1st.** Morgan's. Serenglade Hot Toddy. 6 ½ yrs . Bennett's. Thelbern Monsieur Le Blanc.(Pom).

WORKING...Leonberger Limit. 1st Hutchinson & Lester's. Nahkolam Legend. 5 ½ yrs D. He is good for height but I would have liked to have seen a bit more fore chest and he was a bit straight in the rear and he was also very close on the rear when he moved but his front movement was good. He has a nice head with good dentition and had a pleasant expression. **Open. 1st & BOB & G4**. Hutchinson & Lester's. Jsy Ch Nahkolam Blue

Water. 5 ½ yrs D. He is the litter brother to the previous class winner and he did have a little more fore chest than his brother and flowed out of his neck into a decent top line. His angulations in the rear are good and he has good hocks. His head was without faults with good dentition. He moved much better than his brother and he is very well balanced. Both the handlers of this breed were dressed very smartly and looked the part with there well turned out dogs. **Alaskan Malamute. Open D. 1st & BOB & G2**. Brouard's.

Dreamwolves Cauz For Aplauz. 20 mths. He has a pleasing expression and a good head that is correct throughout and he flows well out of his neck into a decent top line. His overall balance is excellent and his quarters are sound. On the move he looked the part and moved without any faults. A really nicely made and well balanced dog that was very well handled. 2nd.Ingrouille's.Icetrax Boss in Motion. **Open B. 1st**. Ingrouille's. Icetrax Sno Proof. 4 ½ yrs. She looks ok on the stand but I would have liked more neck length and she was very erratic on the move even when I gave her a second chance to get it right. At her age she should not really need to have more training but it could help but she deserve her place for effort. **Boxer. Open. 1st & BOB**. Bayes's. Docrema Diamonds R

Forever. 5 yrs B. She is well balanced and has good quarter and tight feet but I feel her head lets her down by not being as strong as I would like to have seen. Her movement could have been better but she tried hard to please and deserved her win. **Rottweiler**

Limit. 1st & BOB & G1 & BIS. Clark's. Botlierskop Empress Jayde. 12 ½ mths B. A very well balanced girl with a good head and a pleasing expression and she also has correct dentition. Her ears and eyes are set correctly and she has an excellent stop. She flows out of her neck into the correct top line and her tail set is good as are her quarters and I loved her tight feet. She moved superbly and was very well handled by her smartly dressed handler. **AVNPC Puppy. 1st & BPNPC & BNPC & PG1 & G3** Hannigan & Maloret's, Amazon Vanquish At Firouzasky. (Dobe) This boy is very pleasing to the eye with a good reach of neck that goes into the correct top line and a well balanced body with correct tight feet. Good throughout in head and a gentle pleasing expression. When on the move he was without faults and was a pleasure to watch, this was his first show and I think he will be a name that I will see in the dog press many times in the future.
