Subject: Guernsey Kennel Club Winter Show 25th October 2015

Pages: 5 inc cover

May I extend my heartfelt thanks to the Guernsey Kennel Club for inviting me to judge at their 2015 Winter Show. The hospitality shown to both myself and Co-judge Richard Kinsey was second to none, it was an absolute pleasure to officiate at this well run show.

Petit Basset Griffon Vendeen.

Open Dog. (2) 1. Marett's Limier Didier At Gayteckels PdH, a substantial lad with a good enough head, strong neck and well angulated quarters plus a coat in good order and moving well. **BOB.** 2nd Walders Rangali Little Ted.

Open Bitch. (1) 1. Walders Rangali Flirtatious Minnie. A melting expression on this 10 years bitch with a correct bite, she has kept her figure with good bodylines.

Saluki

Open. (2-1) 1. Marshall & Mottershaw's Ulmarra Bollinger (IMP IRE). My star of the day, an elegant and graceful 2 ½ years red dog who oozed style with a look that went straight through you. He has a good head on a strong neck leading to sloping shoulders, good rear angulation. He has a sound, smooth action on the move, holding his topline as he went round. Presented and handled to perfection I was pleased to award him **BOB, Group 1** and thrilled my co judge awarded him **Best in Show.**

Rhodesian Ridgeback

Puppy (1) 1. Le Brun's Walamadengie Flaunt It, and boy she should, super 7 mths dark red bitch oozing quality. With a classic head, well put together front assembly and excellent bodylines, I could forgive that puppy "bum high" stage she's going through. Showing much promise. **BP, BOB & Puppy Group 1.**

Open (1) 1. Torode's Zsushaunna Zosi. A 4yrs bitch, head a little narrow in muzzle but has a muscular neck, enough layback & good depth of brisket, well angulated quarters but perhaps a tad more roadwork as rather flat footed and needs to improve musculature.

Dachshund, Miniature Long Haired

Limit (2) 1 Le Pages Thelepees Polly Ester, very well made b/t 12 months, good head, eye front & quarters, what a shame she would not move, stuck her paws in and wasn't going anywhere! This continued throughout the day, therefore changing places with 2 in the following classes 2. Thelepees Kacy Cotton Sox.

Open (1) 1. Le Page's Rafterhouse Iceman Amongst Thelepees, mature shaded red boy with a pleasing head and bodylines in profile, unfortunately his front is not his fortune and moved accordingly. **BOB**.

Whippet

Limit (2) 1. Lawson's Alamayn Equinox Cassidy at Kipipiriking, a typy, junior fawn male with a good outline, strong but elegant, well-muscled quarters but being a tad picky would have preferred a little more reach on the move. **BOB and Group 3**. 2 Robert's Armabay Mistletoe & Wine at Mollytop.

Open Dog (2-1) 1 Mottershaw's Eeri Bhi Moonlight At Elangeni, fawn/br male with a pleasing head, neck, bodylines and tuck up, moved well.

Open Bitch (6) 1 Lawsons Yazzi Yazmin Yashmina at Kipipiriking. Attractive blue bitch of rising 3 years, a little broad in skull but well made all through, lovely bodylines, this solid colour is very deceptive, she out moved the other in this class. 2. Robert's Mollytop Day Dream. 3. Mottershaw & Officer's Barnesmore Billy Jean For Eeri.

Afghan Hounds

Open (2-1) 1Mottershaw & Officers Schumakayas A Perfect Match For Elangeni (IMP Deu). Mature dark brindle male, with a pleasing head and a "faraway" look so typical, plenty of angulation and hocks well let down producing that smooth, springy gait. **BOB & Group 2**.

Any Variety Not Previously Classified

Limit (1) 1.Dyke's Brontillow Hendon Cadet. What a super 17 months Standard Wire Haired Dachshund, an absolute cracker, well-proportioned head with a correct bite and strong jaw, sloping shoulders with a strong loin and well ribbed up holding his topline on the move. This was all topped off with a super wirey jacket. I will watch his future with interest. **Best AVNPC and Group 4**.

Open (2) 1 Sebires' Badgerscroft Hope for Bouvee, red min w/h Dachshund, attractive headpiece, front feet turning out a little & moved accordingly. 2 LePages Resurgem Elise Thelepees. Std Long Dachs.

Staffordshire Bull Terriers.

Open. (2) 1. Mourant's Dennis The Menace, 7 ½ yrs B/W pied male. Although a typy looking lad with everything in proportion, there was just too much of him being very overweight. Unfortunately he has one inclining lower canine and dirty teeth, not what I would consider being in show condition. **BOB & Group 3.** 2nd Mourant's Bordbass Glorious Gaynor.

Cesky Terriers.

Puppy. (1) 1. Marett's Gayteckels Bak In The Abbott, blue 11 mths pup, enough length in head, correct teeth and bite, plenty of depth, strong loin & quarters and moved accordingly **BP & Puppy Group 1**

O. (2-1) 1. Marett's Idefix Day Break At Gayteckels, 19 months blue, super head, front & shoulder, slight rise over loin, would have preferred a few more furnishings but moved with plenty of drive **BOB & Group 1.**

V.1 Marett's Cesky, Lastarean Kral of Zidout PdH, at almost 12 yrs holding on to his outline and looking extremely well for his age, well balanced topped off with plenty of furnishings. Moving very briskly.

Labrador Retrievers

Puppy (1) 1. Sharpe's Kermouster Black Magic, 11 months blk bitch with a good make, shape & outline, just favouring her right front on the move today **BP, Res BOB & Puppy Group 2**

Limit (1) 1. Haynes' Sandylands Fun Time, 2yrs, a rather boisterous male who could do with a little more ringcraft, he has a strong head and good lines but a tad too weighty for me however he moved very well.

Open (2) 1 Haynes' Taleem Spirit Of Sark, 8 yrs yellow dog with a soft expression, with correct angulation at both ends and his workmanlike scope made movement easy, he has plenty of drive. **BOB.** 2. Sharpes Carriegame New Beginnings Of Kermouster.

Open (1) 1, Spurrier Woodavens Ziggy, 8 years young, very ttypy male with a good front, neat feet and well-muscled quarters witch he used to power around the ring.

BOB & Group 3.

English Springer Spaniels.

Limit (1) 1. Cox's Petranella Jersey Boy At Tiroen, 13 mnths L/W male, beautiful head & masculine expression, well off for bone, plenty of depth, tight feet, and good to see moderately angulated quarters as I have seen exaggeration creeping in with this breed. Moving well and handled to perfection. Only lost out for BOB on maturity.

Open (2-1) 1 De Carteret's Lyntonridge Loyalty Card At Derrindee PdH, a good head & eye on this 8 years young L/W male. Looking good for his age although he was a tad heavy over the shoulder, he moved with reach and drive, again no exaggeration. **BOB**.

American Cocker Spaniels

Open (3) 1 Walker & Noel's Mycalleys Happy Harry, eye-catching, veteran Buff male with plenty of work in the head. Cocker Spaniels

Puppy Dog (2) Guilbert's Beaucott Moonraker, 7 mths Bl/Roan, although preferring the depth of chest on his litter brother, this lad had the better shoulder placement, a merry little cocker on the move, **BP**. 2 Mauger's Beaucott Secret Agent.

Open Bitch (3-1) 1 Smith & Ozanne's Magic Miss Money Penny Of Islanza. Another Bl/Roan, 7 years although a tad cloddy in the neck & a little upright in shoulder, I preferred her topline & bend of stifle to 2. Symphorien's Jayzander Make A Wish At Rienmour.

Golden Retriever

Puppy (1) 1 Phillipe Montfort Magic Rozel Woods, 6 mnths pale cream has all the basics at this tender age including good pigment, could forgive moving a little close as such a baby. **BP& Puppy Group 1**

Open (2) 1 Phillipe's Katesclan Strip the Willow, large male rising 7 years, well made all through but rather sluggish on the move as the day warmed up. **BOB.** 2 Parslow's Montfortmagic Elsa'a Star.

Open (1) 1 Cochrane & Martel's Zoldmali Disco (IMP). Hungarian Wirehaired Vizsla, beautiful outline on this workmanlike 22 months dog, super head, neat medium set ear, strong loin and rear quarters which he used to power around the ring.
