

## **Guernsey Kennel Club Winter Show .... 29th October 2017**

It was a great pleasure & privilege to judge at your winter show, and I truly enjoyed going over some superb dogs.

The passion for your breeds so obvious and I find it quite amazing particularly with the extra costs of ferries, flying etc, that you all have that dedication to your breeds and showing, to come over to the UK and more.

It was an added delight to watch some wonderful young handlers handling. They were so good !
