28<sup>th</sup> October 2018

Judge – Mrs Jane Eyeington (Meadowdale)

I would like to thank the lovely Committee of 'The Guernsey Kennel Club' for the kind invitation to judge at their Winter Show (and boy was it wintery!!!) The hospitality and kindness shown by the Committee and the exhibitors was second to none. Delighted with the quality of the dogs I had the pleasure to judge. Some I feel may have been affected by the very cold weather. I hope you enjoyed your day as I did

Open (1,0)

1. **Mrs Marshall** - **Jun CH JD Ulmarra Bombay (Imp Ire)**

Such elegance and grace of outline on the dog who is coming up 3 years of age. He is quite striking and has lovely balance when stood. He has the desired long lean head, dark oval eye and that aloof and dignified expression. His body has good depth to the ribcage with a pleasing underline. Holding a firm topline both stood and on the move. Well developed croup and hindquarters, shown in good muscle tone. Watching him move not quite as tidy behind today but in profile he is so light on his feet and flowing. – **BOB**

## Petit Basset Griffon Vendéen

Open (1,0)

1. Mrs Marett - Limier Didier At Gayteckels PDH

What a poppet, just loved this 9 year old dog. So happy and has a love of life. This dog just never stopped showing, having an air of confidence and style. Liked his overall size, substance and masculinity. His head is well balanced and such a kind and gentle expression from those large dark eyes. Clean and strong through the neck into a well held topline. Pleasing depth of the ribcage and development of the forechest. Standing on well boned limbs. His coat is harsh to the touch and not over presented. Moved with enthusiasm and pizzazz, lovely drive from the rear. – **BOB Group 2 and Best Veteran in Show**

## Whippet

Limit (1,0)

1. Mrs Lawson - Kipiriking Memphis Belle

Brindle and white bitch coming up 2 years of age. Being a bit of a fidget today and distracted. Liked her for her size and overall shape when stacked. She is curvy and elegant. Her head is long and lean with a lovely oval dark eye. Good length of neck, chest down to the elbow nicely tucked up with a gentle rise over the loin. Well muscled hindquarters. Moving smoothly in profile a little close behind today

Open (2,0)

1. Mr Walker - Crosscop For Your Love Of Petwalk

Full of graceful curves and quality this brindle and white 18 month old bitch caught my eye. Presenting a pleasing silhouette when stood with her shapely curves yet she has strength. Lovely long and lean head, neat small rose ears, dark intelligent eye. Long slightly arched neck, deep chest and enough fill in of forechest. Slight rise over the loin and being nicely tucked up. Hindquarters well developed with a good bend of stifle. Very true on the move both fore and aft, holding her topline whilst keeping low to the ground in front. At times did carry her tail a fraction higher – **BOB & Group 4**

2. Dr Lawson - Alamayn Equinox Cassidy At Kipiriking

Shapely 4 year old dog, who looked a picture stood again having the graceful curves. Liked his masculine head and neat rose ears. Clean through the neck, good depth of brisket and fill in of forechest. He has the gentle and graceful arch to the loin and good underline. Nicely boned limbs a little down in the pasterns today. Liked his hindquarters, with a good width of thigh and bend to the stifle. Not as tidy behind on the move as winner, but showed a lovely side gait.

#### **Limit (1,0)**

1. Mrs Marett - Gayteckels Sister Act

Coming up 3 years of age, this bitch did not like to make things easy for her handler. Liked her overall shape, showing good balance. Her head has strength yet remains feminine, lovely dark eye. Strong neck and forequarters. Nice spring to the ribs, and strength all through, correct rise to the loin, and moderate hindquarters. Not quite the finish today, shown in good muscle tone. When the mood took her, she moved with good drive

#### **Open Dog (2,0)**

1. Mrs Marett - Gayteckels Bak In The Abbott

Sturdy 3 year old dog, liked this dog as he showed a pleasing silhouette when stood, not exaggerated and all male. Appealing head, with good length, kind dark eye and well set ears. Strong yet elegant neck, well boned limbs and having the desired topline which he held both standing and on the move, with a well carried tail. Winning this class today on his movement, being more coordinated. Moving out true fore and aft and showing good propulsion from the rear. Put down in good coat and condition

2. Mrs Marett - Idefix Day Break At Gayteckels

Another with much to admire, this 4 year old dog has elegance and strength just losing out to his kennel mate today on movement. Has good body proportions giving a pleasing picture on the stack. Masculine head, dark eye, elegant neck, strong forequarters, strong topline with the rise to the loin. Well muscled hind quarters. Not as coordinated today on the move, lovely drive from strong quarters

## Open Bitch (1,0)

1. Mrs Marett - Gayteckels Bottoms Up

Litter sister to the wild child in the Limit class. Loved this bitch so elegant but with substance and the desired outline in profile. Her lines are graceful yet workmanlike. Feminine head, of good length giving the blunt triangle shape, dark thoughtful and kind eye. Elegant neck flowing into well held firm topline. Ribs giving the cylindrical shape and length to the loin. Strong well boned limbs and hindquarters with good muscle tone. Shapely 5 year old bitch, she has a graceful outline and shown in good muscular condition. Having a balanced head shape, kind oval eye giving a gentle expression.
