

## THE GUERNSEY KENNEL CLUB

### Winter Open Show 28<sup>th</sup> October 2018

I would like to express my thanks to the Officers and Committee for the invitation to judge their show. The organisation from the start of our trip to the finish was excellent. Although the number of exhibits as one would expect was relatively small the overall quality was very good. The exhibitors were very friendly and showed great sportsmanship. My final line-up for Best in Show showed the quality of dogs in each group any one of which could have taken top honours.
